

Welcome to the World Flycasting Championship 2024!

The Swedish Casting Federation would like to welcome you to Sweden and the competition of the year. Together with Visit Skåne, Kristianstads kommun and the Swedish Sports Federation we are going to do our best to make this World Championship to be a memory for you to bring back home with the feeling that you would love to come back again.

Starting in early April, you can find the latest information about the World Flycasting Championship 2024 on our website at www.flugkatar-vm2024.castingsport.se.

The registration deadline is June 12, and the deadline for paying the participation fee is June 19.

Information, costs and how to apply

How to apply:	Fill in the registration formular, https://form.jotform.com/240785358989378

All national organizations under ICSF/CIPS may take part in the World Championship.

- Each nation can participate with maximum 8 casters in each event (men and women), and 4 casters in each event in the veteran classes.
- World Championships can only be carried out if at least 6 nations participate, in the men division, and 3 nations participate in the divisions of the veterans, ladies, boys and girls.
- Arranging an event requires a minimum of 10 participants in the men's class, 8 in the ladies' and veteran's class in total, from a minimum of 3 countries (per class).

Due to the ongoing war in Ukraine - all Russian/Belarusian athletes is banned from participation at ICSF international championships in 2024.

Hotels

Accommodation is not included in the participation fee, you can make your own choice of living.

- If you choose Åhus Resort or First Camp, you will have your breakfast served at Åhus Resort.
- All participants will get together everyday for lunch and dinner at Åhus Resort.

We have negotiated special rates with three preferred accommodation options. For detailed information, booking, and payment options, please refer to the links provided for each accommodation choice.

Åhus Resort, 475 SEK per night and person. You have your own villa and can sleep 2-5 person per house. All villas have four rooms with three bedrooms and double shower and toilet. If you prefer a single room, it's possible to reserve your own bedroom within a shared house with other guests for the price of 675 SEK.
